

Posting Facebook Stories

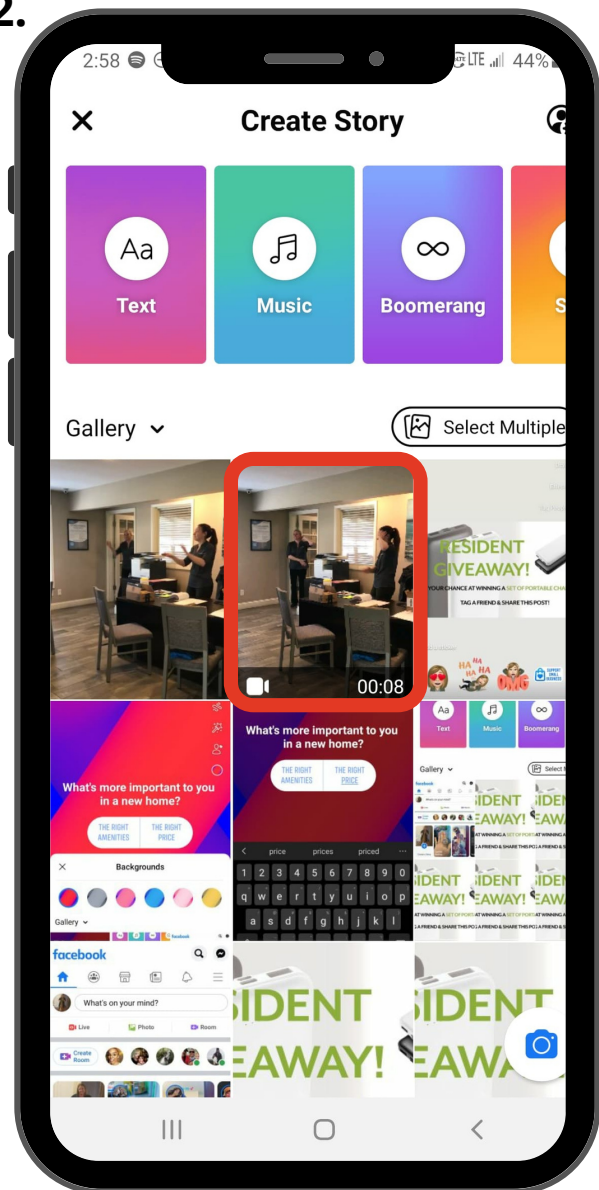

Facebook Stories are a short-form feature of the traditional Facebook Experience and are only available for 24 hours. Tell your story by uploading videos and photos, OR film them directly from the story interface. Add titles, stickers, music, polls and more to engage your followers.

How to Post to Your Story (From a Cell Phone):

1.

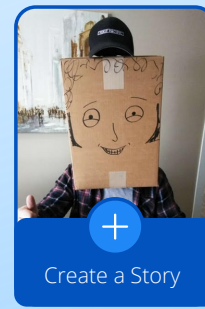

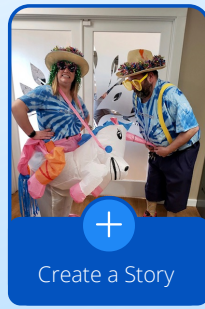

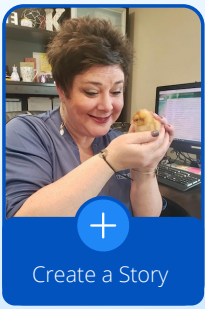

2.

← You can either choose a template

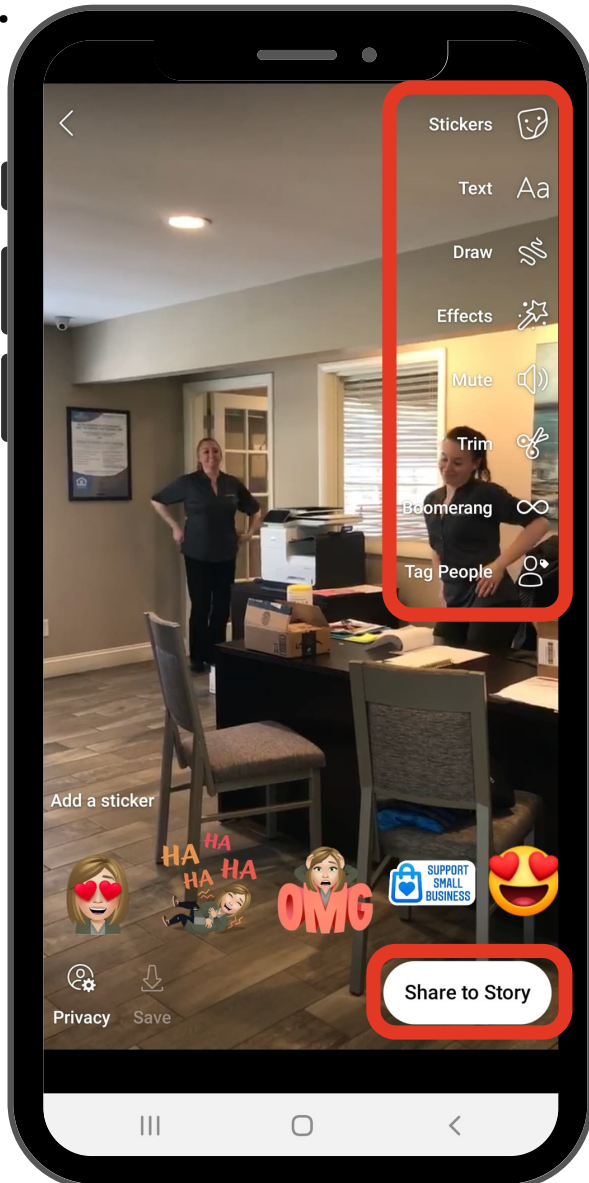

← Or upload a photo/video from your gallery

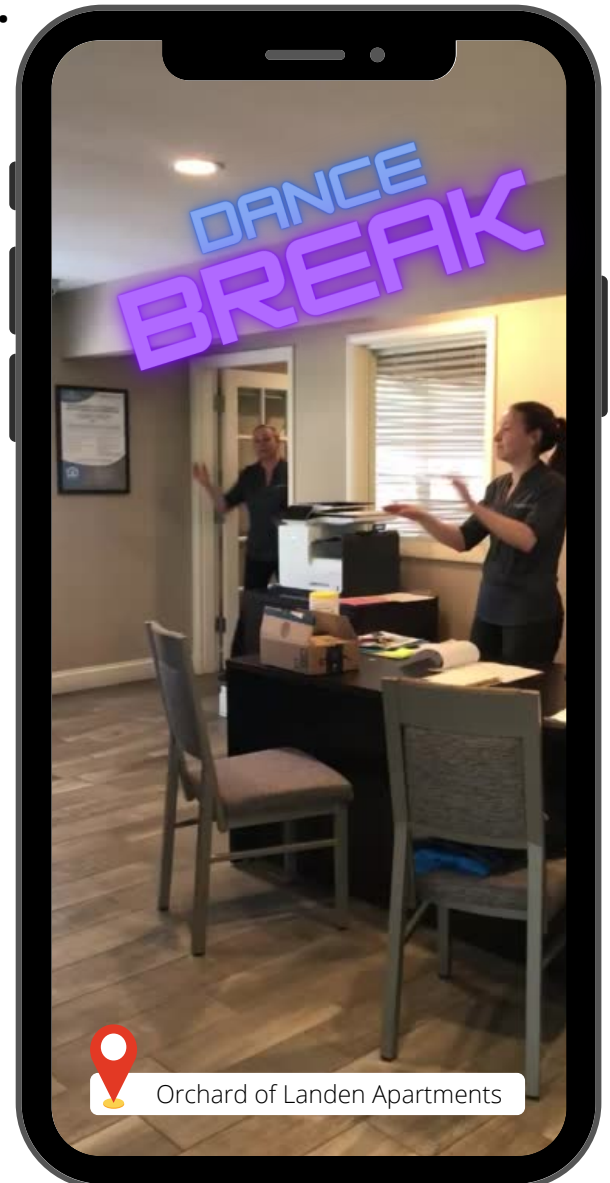

Posting Facebook Stories

How to Post to Your Story (From a Cell Phone):

3.

4.

← **Customize your photo/video with the tool bar on the right. Don't be scared to test each option out until you get a feel for it.**

← **When finished designing, click "Share to Story"**
